WASTE TRACKING

- Bold items have historically largest impact on COS
- Record inventory waste & menu items on tracking sheet at shift change (AM) & at close (PM)
- Add any additional waste items to the open rows as needed (e.g. breakfast items, LTOs, products not listed, etc.)
- At shift change (AM) and at close (PM), enter waste amounts into the BOS accordingly

The light shines in the darkness, and the darkness hasn't *overcome* it.

The word translated "overcome" (G2638) can also be translated "comprehended." It refers to getting a grip on an enemy to defeat him.
